Vibe Hotel Marysville

Update | June 2015

Marysville gets its Vibe on

Vibe Hotel Marysville and Conference Centre was officially launched on 21 April 2015 by the Minister for Regional Development, The Hon. Jaala Pulford, in a landmark celebration for the resilient township of Marysville. Set at the foothills to Victoria's alpine resort via the picturesque Black Spur, Vibe Hotel Marysville boasts 101 guest rooms, including five suites, a conference and events centre catering for up to 350 guests, restaurant, café, gymnasium, outdoor pool and The Spa at Marysville.

The hotel's modern Australian, locally sourced restaurant, bar and café proudly supports sustainable and fresh produce from the region. Radius Bar & Grill provides guests and locals with a premium dining experience. The name 'Radius' is a playful tribute to the restaurant's practise of sourcing ingredients from within a 100km radius, featuring menus inspired by a 'paddock to plate' philosophy and designed by Executive Chef Leigh Colville.

Rachel Argaman, CEO of TFE Hotels, said: "We want to position Vibe Hotel Marysville as a place to really connect on many levels, personalising guest experiences with the locale, as well as

providing an inspiring and stylish place to stay and meet, with spacious state-of-the-art conference and event facilities. We are thrilled to have been able to support the revitalisation of regional Victoria and we can't wait to see this exciting project come to fruition."

Minister for Tourism and Major Events, John Eren, said "The opening of this stunning new hotel represents a major step towards Marysville regaining its position as one of the state's most popular regional tourism destinations.

Developed collaboratively by the Victorian Government and private enterprise,

the Vibe Hotel and Conference Centre offers visitors quality accommodation and facilities as well as easy access to the abundant natural attractions and experiences that the region is famous for."

TFE Hotels are working in close partnership with Tourism Victoria and local businesses to further promote tourism to the region.

Shane Warne Foundation Event

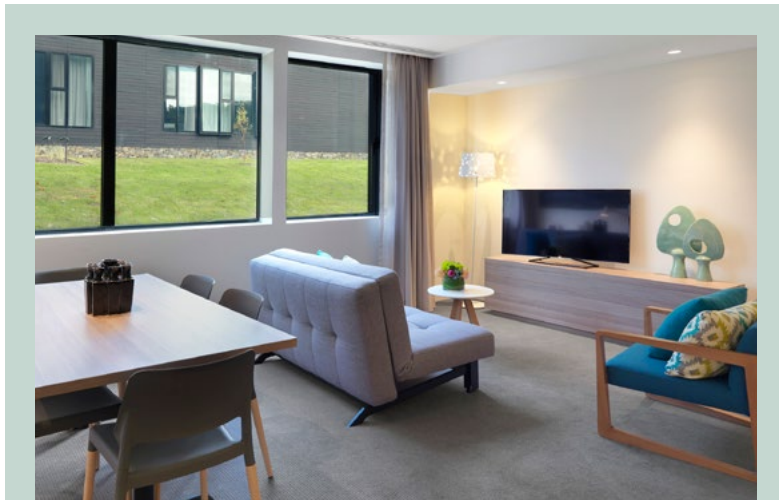

The Falling Leaves Gala Dinner hosted by Brodie Harper and Andy Lee, in honour of The Shane Warne Foundation ("TSWF") took place at the recently launched Vibe Hotel Marysville on Saturday 9th May 2015. TSWF has been committed to raising funds for the seriously ill and underprivileged children of Australia since 2004.

Vibe Hotel Marysville has already had a significant, positive impact on the local community, with a primary focus on supporting local people and businesses. This made it the perfect setting for the gala, which over the past decade has

raised over \$7m and made over 120 distributions to a wide range of children's charities and individual families in need.

Stacie Childs of The Shane Warne Foundation commented: "We're so excited to be holding an event at the new Vibe Hotel Marysville and to be raising even more funds to help enrich the lives of seriously ill and underprivileged children and teenagers in Australia."
