

TRANSPORT COMMUTER HUB

- A vibrant and connected mixed transport hub preserving the beautiful Ballarat Station
- Enhanced, formal, safe and secure commuter car parking arrangements for up to 270 cars
- Excellent access to public transport, with regular V/Line trains and buses
- Provisions to develop a bus interchange and ability to expand the commuter car park in the future
- A new gateway to Ballarat for commuters and visitors, enhancing their arrival, departure, and interchange experience
- No disruption to commuter car parking during construction and no impact to train services.
