Specifically:</p> <ol style="list-style-type: none"> I. Funding for various projects identified in the Kitjarra-dja-bul bullarto langi-ut project area. II. Funding for Wadawurrung resourcing and infrastructure works to deliver and implement a Healthy Country Plan for the Porronggitj Karrong cultural and community precinct. III. Funding for Murk Njubitj Yarram Yalok (Yarram Creek, Bellarine Peninsula) to design and build a Wadawurrung natural resource management space and infrastructure which will enable residents and visitors to immerse themselves in the new biodiverse community space.

OUR PRIORITIES

UNDERPINNED BY OUR FOUR GOOD GROWTH PRINCIPLES:

- ✓ Economic and population growth that is environmentally and socially sustainable
- ✓ Benefits must be shared equitably supporting the vulnerable and marginalised
- ✓ Embrace and embed our region's rich Aboriginal culture
- ✓ Create and maintain safe, vibrant, highly livable communities
