

PRECINCT PLAN

- This \$40 million+ project will activate and revitalise the Ballarat Station precinct into a vibrant and accessible community, transport and commercial hub
- The Victorian Government announced the Pellicano Group as the successful consortium to deliver this transformational project for Ballarat on 29 November 2016
- The project will leverage significant private sector investment into the Ballarat economy, which will act as a catalyst for new business, investment and development opportunities in the region
- Construction to commence mid to late 2017
- Improved amenity and cultural vibrancy
- Up to 140 jobs created during construction
- Up to 30 new ongoing jobs created when project is complete
