

2021/22 BUDGET FACT SHEET

Loddon Campaspe Regional Partnership

Since 2016, Loddon Campaspe Regional Partnership has been working to bring the voice of its communities to the heart of Government. Thousands of locals have engaged with the Partnership to share their views on what is important for their region. This has helped shape the priorities of the Partnership, and the Victorian Government.

Now in its second term, the Loddon Campaspe Regional Partnership is already hard at work providing its advice to Government to ensure Loddon Campaspe's rural and regional communities have every opportunity for a strong recovery and a prosperous future.

The outcomes the Partnership is striving for:

A Growing Economy - A strong, diverse economy that enables people to actively contribute to their community.

Healthy Heart of Victoria - Active communities, healthy settings and productive lives at all stages.

Create the Best Start for Every Child - Families and communities that give children the best start in life.

Youth Our Critical Asset - Safe, supported and engaged young people.

A Great Environment to Live - Our culture, heritage and environment is protected and enjoyed.

A Connected Region – All people in the Loddon Campaspe Region benefit from economic activity and access to services.

Budget 2021/22 - Creating Jobs, Caring for Victorians:

The 2021/22 Victorian Government Budget is focused on building a long-term plan that truly helps Victorians recover, with an almost \$3.7 billion investment in rural and regional Victoria, taking the Government's total investment in regional Victoria to \$26 billion since 2015.

Through the 2021-22 Budget, the Government has renewed its commitment to Regional Partnerships, including \$5.1 million for the Regional Partnerships Development Fund.

Regional Partnerships and their communities have raised issues such as housing and skills shortages, early childhood and mental health as critical issues for the Government to address. This Budget includes a number of state-wide initiatives focused on boosting key regional industries, creating jobs and caring for Victorians.

Across the state these initiatives include \$3.8 billion to build Victoria's new mental health system; a \$383 million investment in skills, training and higher education; and \$1.2 billion to support children and families and provide more child protection workers.

The Government is also investing \$2 million in the successful Community Leadership program and \$3 million in the Growing Regional Opportunities for Work (GROW) program – helping create jobs for people who experience barriers to employment while investing in local leadership to support recovery.

Victorian Budget initiatives that support Loddon Campaspe:

- Funding for the continuation of the **Healthy Heart of Victoria** initiative.
